

IMPROVE YOUR CONNECTIVITY

Advanced 450 LTE antennas for reliable communications

**ONE PORT. FEWER CABLED.
BROADER COVERAGE.**

Smarteq™ LPCA 450 LTE/ 5G Low-Profile Antenna

- Connects to 450MHz and 5G bandwidths using a single port
- Easy to deploy
- Reliable RF performance
- Slim profile

Models

710761, 710782

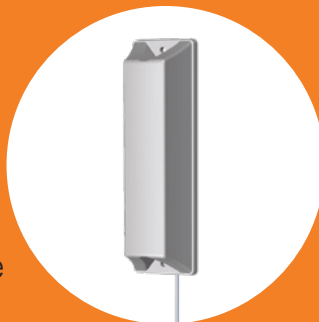

Frequency Ranges

380-470 MHz + 5G

BALANCE COST AND PERFORMANCE

Smarteq™ Low-Profile LTE 450 and 5G Antenna

- Compact and robust enclosure
- Easy to mount with several connection options, center and side
- Ground independent

Models

710793, 710794, 710795

Frequency Ranges

450-470 MHz

LOOKING FOR MORE OPTIONS?

PCTEL offers 450 MHz antenna solutions to enable reliable connectivity for mission-critical communications, even in challenging environments.

Low Profile MLPV Series

Models	Frequency Ranges	Connectors
BMLPVMBLTENG	450-470 MHz 690-960 MHz	Various connector options offered with PCTEL high frequency mounts
BMLPVMBLTENG-VP	1710-2700 MHz	N Female bulkhead

Bluewave Marathon Yagi Series

Models	Frequency Ranges	Elements	Connectors
BMYD450G	450-470 MHz	3	N-Female
BMYD450K	450-470 MHz	7	N-Female

Aluminum Yagi MYA Series

Models	Frequency Ranges	Elements	Connectors
MYA45012	450-470 MHz	12	SO239 standard, N-Female (optional)
MYA4503(N)	450-470 MHz	3	SO239 standard, N-Female (optional)
MYA4505(N)	450-470 MHz	5	SO239 standard, N-Female (optional)
MYA4506(N)	450-470 MHz	6	SO239 standard, N-Female

Smarteq™ VO450 Omnidirectional Antenna

Models	Frequency Ranges	Connector
VO450	430-470 MHz	N-Female
